

Announcing the
**2018 ASM Materials
Experience New England**

May 7, 2018 @ WPI (Worcester, MA)

...or...

May 21, 2018 @ Boston University (Boston, MA)

- VISION:** A FREE one day program for high school students to explore and learn about materials science and engineering
- WHEN:** Monday, May 7, 2018 from **8:00 AM to 3:30 PM** at WPI or Monday, May 21, 2018 from **8:00 AM to 3:00 PM** at Boston University
- WHO:** The program is open to HIGH SCHOOL Sophomores and Juniors
- WHERE:** Worcester Polytechnic Institute: Washburn Labs, Worcester, MA or Boston University: Photonics Center; 8 Saint Mary's St., Boston, MA
- WHAT:** Students will participate in hands-on learning modules designed to demonstrate the nature of materials. Topics will demonstrate how materials are engineered to perform as desired. Past modules have included Casting, Cryogenics, Shape Memory Alloys, Hydrogels, Electron Microscopy & more!
- COST:** FREE (NOTE: Participants must make their own transportation arrangements)
- APPLY:** Go to <https://www.surveymonkey.com/r/2018MaterialsExperienceNE>
- More INFO:** E-mail: matcampne@gmail.com or visit www.asmboston.org (ASM Materials Experience section)

Note for Teachers: In order for us to best manage the limited openings available, please contact us in advance if you are interested in bringing a group of *more than 6 students*.
